2023–2026 Rule Review Plan for State Board for Educator Certification Rules

Texas Government Code, §2001.039, established a four-year rule review cycle for all state agency rules, including State Board for Educator Certification rules. The rule review is designed to ensure that the reasons for adopting or readopting the rule continue to exist. The plan only includes rules in effect at the time the plan is adopted.

Review Period: 2023
